

Acclivus, Inc. is an intentional social network to serve vulnerable individuals, primarily those from communities who are disproportionately impacted by compounding barriers to health and success, by providing leveraging capital and coping capital to assist network members with personal and professional growth, and overcome common social challenges including but not limited to poverty, criminal backgrounds, or limited formal education. In partnership with the Jane Addams Center for Social Policy and Research, the Acclivus organization aims to develop programs and advocate for social policy reforms that will decrease incarceration, enhance educational opportunities, employment, and self-employment opportunities for network participants.

Our mission: To support the success of Chicago area vulnerable individuals, primarily those who are disproportionately impacted by compounding barriers to success, and who have been disconnected from mainstream culture and the associated benefits therein. Resources and assistance are made available through crisis intervention, mitigating traumatic impact of negative life events, mobilizing social capital, community organizing campaigns, and advocacy. **Our vision:** To provide all individuals the opportunity to reach their full human potential regardless of their past misdeeds, disappointments, or challenges influenced by internal and external causes.
